Message from Centre Director

AYUBOWAN

Welcome to an exiting career pathway in a dynamic and booming industry by choosing to study in Foods, Tourism, Hospitality or Events.

Our partnership with the William Angliss Institute, Australia brings over 75 years of expertise in teaching delivery specialising in foods, tourism, hospitality and events. The Institute's main campus is based in Melbourne and there are several partnerships worldwide. When you successfully complete your studies with us, you become part of the William Angliss Institute global community' of graduates. Armed with an Australian qualification that is highly regarded by employers, your certification becomes your passport to the world.

Sri Lanka is truly emerging as a top tourist destination. With rapid construction and development, the hospitality and tourism industry is alive and well.

Studying in our industry opens up a variety of career path choices, as the industry is vast, incorporating hotels, catering companies, resorts, banquet halls, restaurants, wedding functions, bars, cafés, airlines, cruise ships, major events, convention centres, travel operators and tourist guides.

Our teaching and learning experience occurs in 'state of the art facilities at SLIIT with the most modern industry specific equipment. The William Angliss Institute, Australian curriculum delivered goes beyond just theory and in a classroom. Our exceptional and highly skilled staff focus on the personal growth and development of each individual, whilst incorporating teamwork and collaboration with

numerous activities and events that creates a campus life with a proud sense of community spirit.

We combine our learning methods with industry site visits, international and domestic guest speakers, paid part time and casual employment opportunities, global and domestic organisations visit and recruit, renowned and famous chefs conducting master classes, competitions for students to participate here and overseas. Our relationship with key industry stakeholders and global brands in Sri Lanka and Southern Asia is strong and the demand for remarkable graduates is sought after competitively, giving our students an abundance of choice.

Our graduates are energetic, creative, innovative and full of enthusiasm and with the combination of exceptional knowledge, industry job ready' practical skills and the right attitude, Our students are in their prime to meet and exceed industry standards.

Choosing a career path should be driven by the desire of what one really wants to do, and learning is lifelong so why don't you choose to 'Learn what you Love!' I know that studying with us will be exciting, interesting, colourful and challenging, yet also a very rewarding experience. I encourage you to now take the next step in 'creating your tomorrow.

Regards,

Steven Bradie-Miles

Centre Director

“ Our graduates are energetic, creative, innovative and full of enthusiasm and with the combination of exceptional knowledge, industry ‘job ready’ practical skills and the right attitude, Our students are in their prime to meet and exceed industry standards. ”

William Angliss Institute at SLIIT

Our programs are internationally recognised and provide graduates with a competitive edge when searching for employment. William Angliss Institute courses are the most in-depth studies in hospitality, food, events & tourism. Each course is structured to provide you with critical and strategic thinking skills, and contains a greater focus on management. If you are interested in rising to the very top of your field or would like to work overseas, our qualifications will provide you with the skills to get you there.

Practical Skill-based Learning

We build on core units that are multi-disciplinary and industry based, and have been customized to reflect managerial skills and knowledge relevant to the industry. Students also receive a strong foundation in general management skills and knowledge. Our students are provided with the best possible grounding in industry best practices through a deep commitment to skills-based learning. Our dedicated resources and infrastructure allows you to acquire a hands-on appreciation of contemporary production and service systems together with the resource management skills that underpin the theoretical and applied content of our courses. This foundational approach, that aligns practical and theoretical understanding, allows you to be more flexible in your range of skills and competencies when entering the industry.

Specialist Centre

Here in Sri Lanka, we give our students the ultimate head start with the best facilities anywhere in the world in foods, events, tourism and hospitality training. We know that to be successful in the industries you need a balance of knowledge and hands-on experience. Our first-class facilities and expert mentoring will provide you with the confidence and experience to be a leader in your chosen field. Facilities include innovative, live and simulated classrooms and state-of-the-art equipment, all designed to help you tackle real workplace situations. On campus we have an operational restaurant where students can experience first-hand the thrill of creating exquisite culinary experiences and service. Students can access wireless internet across the campus. Ultimately, our cutting edge facilities are about making you job ready with the tools you need to follow your passion anywhere in the world.

Location

The Institute's main campus is located in Malabe, just 30 minutes from the commercial capital of Colombo. Malabe is Sri Lanka's largest educational hub, with several universities and colleges already set up in the area.

Visa Services

If you are applying from overseas, our student recruitment team can assist you so that you receive your visa documents prior to travel and that you receive your official student permit whilst on the ground in Sri Lanka.

Teaching and Assessment

Teacher qualifications and Experience

Institute teachers have been recruited and assessed in accordance with the Standards for Registered Training Organizations 2015 as required by the Australian Skills Quality Authority (ASQA). All teaching staff are required to have industry experience as well as a teaching qualification. The Certificate IV in Training and Assessment is a minimum requirement.

Teaching methods

Teachers utilize a variety of training methods that may include one or more of the following approaches;

- Classroom delivery
- Lecture theater delivery
- Specialist classroom delivery (includes training kitchens, training restaurants.)
- Work-based learning

Assessment

The institute assessment procedures comply with the principles of validity, reliability, fairness and flexibility. The assessment will be equitable for all students, taking into account their cultural and linguistic needs. The successful completion of a course requires demonstration of competency to workplace standard in all units of that course. A wide range of assessment practices is used by staff to assess competency for courses.
